## Professional Career

Christine Grau is a lawyer in Frankfurt. For more than 15 years, she has been advising companies and the public sector on funding procedures and complex award procedures, in particular on technology-related tenders and infrastructure projects. Her particular areas of expertise are telecommunications, IT and cybersecurity law as well as the procurement of hardware and software products. In addition, she has completed additional training as a certified manager (Malik Management Zentrum St. Gallen) in order to be able to supervise and implement extensive projects in a targeted manner.
