When you visit our website, we use cookies and similar technologies to access information in your system's browser or to store data in it. In addition to strictly necessary ones, these are also optional technologies - also from third-party providers, to analyze the access to our website and the success of our advertising measures, to create individual usage profiles, to be able to present you with more individualized advertising on our websites and third-party provider sites, and for our own third-party purposes. These may also take place in countries outside the EU with a lower level of data protection (e.g. USA). Despite far-reaching contractual regulations, the risk of access by state authorities and limited legal remedies cannot be ruled out.
